Dear Hiring Manager,

I am writing to express my interest in the Graphic Design Internship position. Although I am relatively new to the field with 0 years of direct experience, my recent role as a Nail Technician at Lavish Nail Lounge LLC has equipped me with a keen eye for design and detail, qualities that are directly transferable to graphic design. My academic background from the State University of New York Cobleskill in Graphic Design has provided me with a solid foundation in the field, preparing me for the challenges and opportunities this position presents.

Throughout my recent job, I have demonstrated an eagerness to learn and adapt, qualities that I am confident will facilitate my transition to graphic design. My skills in Photoshop, Illustrator, After Effects, Animation, Adobe XD, InDesign, Lightroom, Dreamweaver, HTML&CSS, Javascript, Premiere, and Microsoft Office, coupled with my proficiency in Processing, Typography, and Web Design, position me well to contribute creatively and effectively to your team. I am particularly proud of my strengths in Visual Communication, Packaging, and Identity Branding, which I believe align well with the demands of the Graphic Designer role.

I hold a degree in Graphic Design from the State University of New York Cobleskill, where I honed my artistic skills and developed a robust understanding of design principles. This educational background, combined with my practical skills and eagerness to learn, makes me a strong candidate for this position.

I am excited about the opportunity to bring my unique talents to your team and am confident in my ability to make a meaningful contribution. I look forward to the possibility of discussing this exciting opportunity with you. Please feel free to contact me at your convenience
